

# Farm Equipment Coverage

## Stand-Alone Policies from Mathison Insurance

Your customer's equipment investment goes beyond the machine and so should their insurance. Today's farm equipment and irrigation systems are increasingly complex, and businesses rely on them day after day. Mathison Insurance Partners recognizes this and offers the tailored insurance solutions and services required to protect your insured's equipment against damages caused by weather related catastrophes, fire, mechanical breakdown, and so much more — so your insureds can keep their operation running smoothly.

### Equipment Types

- Pivot Irrigation Systems
- Soil Cultivation Equipment
- Combines
- Cotton Pickers
- Tractors
- Sprayers
- Unique Farm Implements
- Construction Equipment
- Many Other Equipment Types
